AMENDMENT

Hon. Commissioner of Patents
and Trademarks
Washington, D.C. 20231

Dear Sir:

In response to the Office Action dated May 24, 1985,
kindly amend this application as follows:

Kindly delete claims 1 - 13.

Kindly add claim 14.

a
Claim 14: A pharmaceutical composition useful for the treatment
of urolithiasis and for inhibiting the bone reabsorption, in unit
dose form, which contains as the active ingredient 4-amino-1-
hydroxybutan-1,1-biphosphonic acid in an amount of 0.5 - 1.0
mg per unit dose.

Kindly enter 1) the Declaration of Dr. Rosini, dated
August 26, 1985, 2) copy of letter from Prof. Fleisch to
Dr. Rosini, dated August 24, 1984 and copy of publications
mentioned therein.
